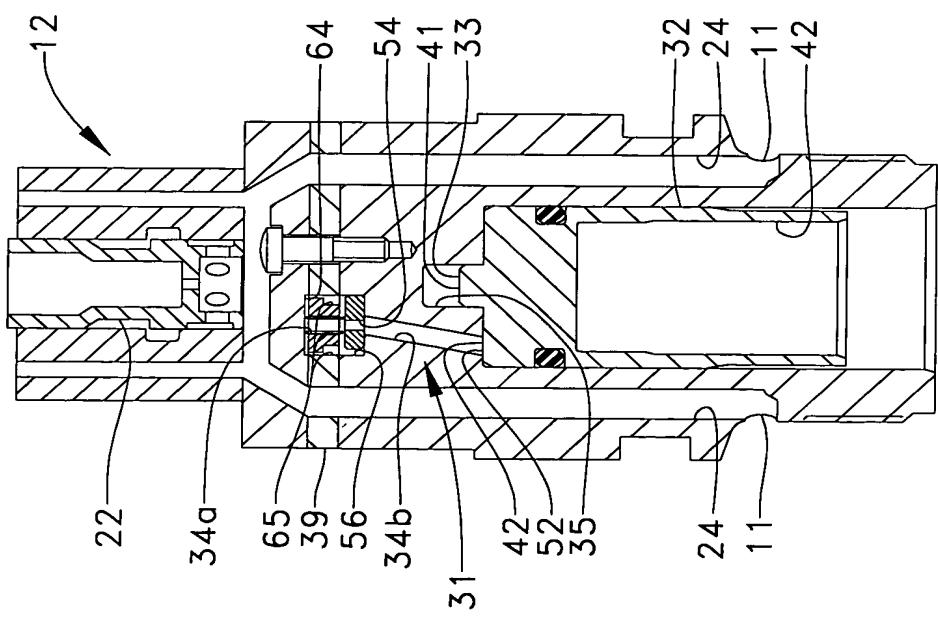

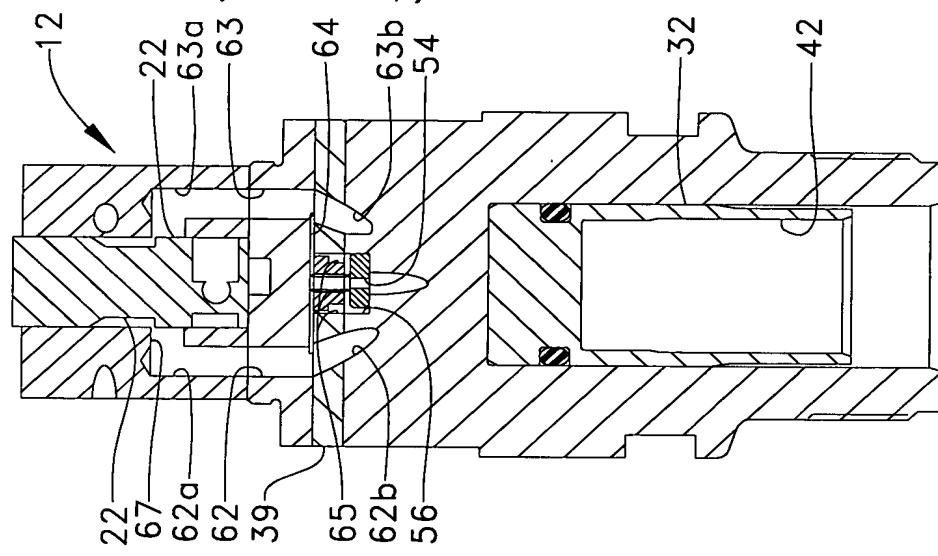

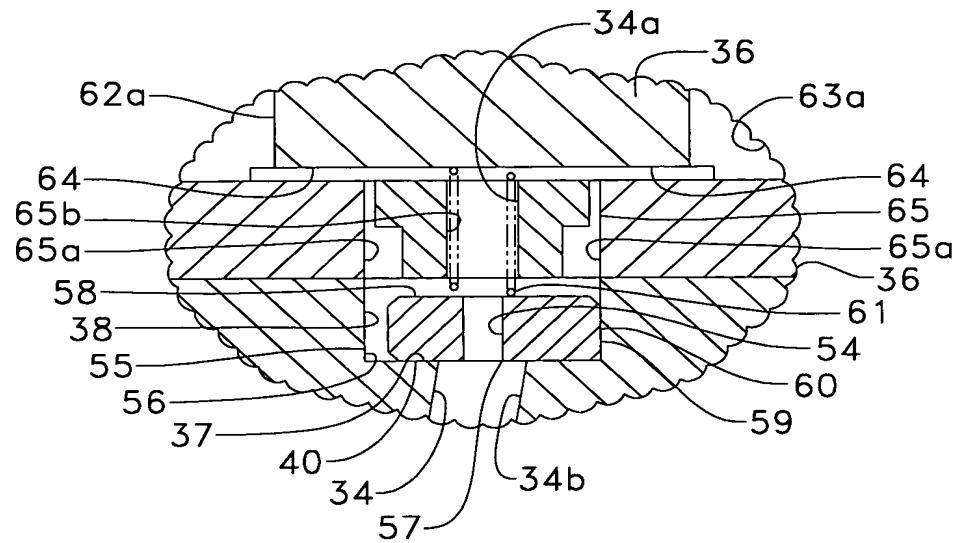

Fig 3c

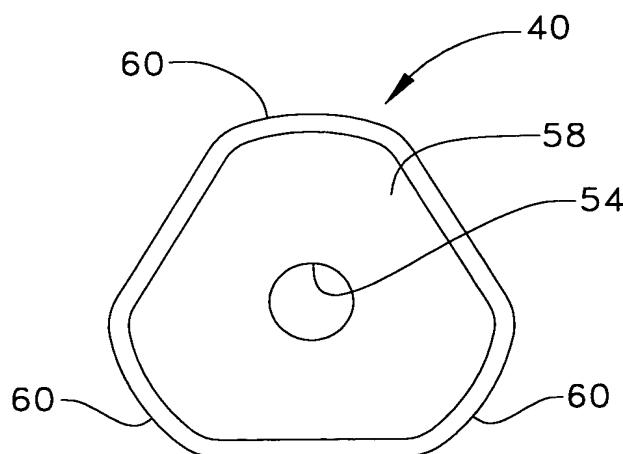

This technical drawing illustrates a cross-sectional view of a mechanical assembly. The drawing features several labeled parts: 22, 24, 4a, 63a, 64, 63b, 54, 32, 42, 12, 65, 39, 56, 4b, 42, and 52. The components are depicted using various line patterns and hatching to distinguish them. A large, stepped rectangular block is labeled 63a, 64, 63b, and 54. A smaller rectangular block is labeled 42. A curved arrow labeled 12 points to a specific feature on the left. Other labels like 22, 24, 4a, 65, 39, 56, 4b, 42, and 52 are distributed throughout the assembly, often pointing to smaller parts or specific structural details.
